Wanderings with Jo

January 2021

My Fellow Rotarians -

2021!! It is a new year. We made it through 2020, and while we are not literally "wandering", we are seeking our paths for the next few months. This is the time to reassess and look for the unique possibilities of achieving our Membership, Foundation, Training and Leadership, and Public Image Goals.

Membership growth is one area that we need all your help with. Our Chair, Dennis Long, has written a great article this month on securing members. Please take a read! How many new members can you recommend to your club?

Our Foundation has completed several grant projects over the past six months. A team of Foundation members and caring Rotarians worked extremely hard to get funds to our affected Rotary families to aid in the COVID-19 crisis. As soon as they were completed, they pivoted to assist our Rotary families and friends devastated by the summer wildfires. These were all completed by the end of the year 2020. We appreciate the team, led by our Foundation leads, past and present, PDG Tom Markos, Tom Crozier and Susan Winterbourne; along with our dedicated Assistant Governors, Cindy Jones and, Suzanne and Nelson Holmberg.

We offer a **special thank you** to Assistant Governor, Mark Caillier of Salem, who worked tirelessly to ensure that we secured the best possible deals on our purchases for our Wildfire Relief grant recipients so we were able to assist as many worthy individuals as possible.
Thank you all!

We are looking towards the future by establishing a District 5100 501c3, Disaster Relief Fund, to be ready to serve the District expeditiously, the next time an unfortunate situation arises.

The Training and Leadership committee is focused on preparing our incoming presidents for PETS and for their tenure. We are also in the middle of getting ready for our Spring Training Event (formerly DTA). We are asking all presidents to follow the lead of the AGs to make sure you are prepared and attend these sessions. The focus on training and leadership is a core

value for the success of our future District Leadership, Jim Boyle, Steve Williams and Renee Brouse.

Our Public Image team, led by iPDG Diane Noriega, has added new social media accounts to let members and non-Rotarians know that Rotary District 5100 is intent on making our communities a beacon of light for every new and potential member.

Our future is bright and I am hoping to continue the focus on making Rotary a force to reckon with. We should have a seat at the table to help improve Peace, Social Justice, Youth Involvement and any other initiatives that we can to help make us continue to be the best that we can be.

We are **People of Action** and we will continue to improve our present and future goals. Our teams and committee leads are doing a superb job focusing on getting it done.

My appreciation to all for keeping District 5100 ever present as we trek through **2021!**
