

Rotary Peace Fellowships

Each year, Rotary offers up to 130 fully funded fellowships to leaders around the world to study at one of Rotary's seven Peace Centers. Graduates go on to work in peace and conflict resolution jobs. Since the program began in 2002, there are more than 1,500 fellows in 115 countries. District 5100 actively participates and since 2002 has interviewed more than 64 applicants.

Rotary Peace Poles

A Peace Pole is an internationally-recognized symbol of the hopes and dreams of the entire human family. Each Peace Pole bears the message *May Peace Prevail on Earth* in different languages on each of its four or six sides. There are an estimated 250,000 Peace Poles located in every country in the world, dedicated as monuments to peace. District 5100 works with Rotarians in the USA and around the world to plant Peace Poles.

PEACEBUILDER CLUBS
Ten Years (2011-2021) & Growing!

How it all started

“The way to war is a well paved highway and the way to peace is still a wilderness”. Paul Harris

At the 1921 RI Convention, Rotarians incorporated Peacemaking into its constitution and bylaws. Now, 100 years later, there are peacebuilder clubs in over 32 nations. Rotary District 5100 became a Peacebuilder District in 2011 with a pledge of \$25,000 to Rotary Peace Centers.

Peacebuilder clubs create momentum for peaceful conflict resolution throughout the world. The programs are designed to “advance world understanding, goodwill and peace” which align with our seven areas of focus, the first, “Peace Conflict Prevention and Conflict Resolution”.

“Over 70 million people are displaced as a result of conflict, violence, persecution, and human rights violations. Half of them are children”.
