### *JULY TRIVIA QUESTION*

*Rotary's founder and recognized leader was Paul Harris.*

*Who was the first club President of the first Rotary club?*

*\*Submit your  
answer!*

### *Governor Steve's message*

*As we begin the new fiscal year,  
We are charged to Imagine Rotary.  
What can we accomplish this year  
Around the world and in our community?*

*Club Presidents have been given the charge  
To lead and to achieve the club's goals.  
An emphasis on growing membership is key  
Attract and engage to grow those member  
totals.*

*As Presidents, their job is to lead the club  
And not to attempt to do it all alone.  
Successful clubs have found that to be the key  
Since Silvester Schiele was the first President  
of club one*

*A growing, engaged membership  
Will be indicative of our needed progress  
Attracting and including community leaders  
Will be key to the District and Club success.*

*Existing club can lead the charge,  
Maybe a Satellite club can be the right call.  
And we can Grow Rotary with new clubs  
In areas and times that are best for all.*

*Thank you for committing to the task  
For when all pitch in we will succeed.  
Increased Service and fellowship both result  
With new members and ideas, indeed.*

\*Please include your name & club when sending your response.
