**Governor Steve’s Poem**

Since our formation so many years  
ago,  
Rotary has identified core values  
to hold true.  
Values that bring us together and  
make us who we are.  
Guiding values for us in all that  
we do.

Values of Fellowship, Integrity, and  
Diversity,  
Along with Service and Leadership  
as well.

Each is important in the Rotary  
world.  
And of our motto of Service Above  
Self.

As we attract and engage our  
membership,  
Leadership Development is  
something we can provide.  
From our alliance with  
Toastmasters to club projects,  
Opportunity for personal growth  
is not to be denied.

## 2022-23 District Directory

For the 2022-23 Rotary Year, we have converted the District 5100 Directory to a digital format so that every Rotarian in District 5100 can have access to this information. The conversion to digital for this year has taken longer than expected but the good news is that changes to the directory for future years can be made much quicker.

## Disaster Relief

Last month we shared information about the earthquakes and flooding in District 5130 in Northern California. This month we see the terrible news about the ongoing war in Ukraine, the challenges of recovering from the floods in Pakistan, and most recently the devastating impact of two large earthquakes in Turkey and Syria.

The Trustees of The Rotary Foundation have created specific accounts to raise funds for relief efforts in these countries and are encouraging contributions to the Disaster Response Fund of The Rotary Foundation to provide Emergency Response Grants.

The Rotary Foundation Committee for District 5100 is looking at ways we can be involved in relief efforts through Emergency Response Grants. If your club would like to pursue a Global Grant through The Rotary Foundation, there are some fast-track opportunities available.

Please contact Tom Crozier (TRF Chair) or Renee Campbell (International Service Chair), or DG Steve Williams with questions about how you can get involved.
